

SCHOOL PARTNERSHIP ST. NICHOLAS ALPHAVILLE X CLIMATE COOPERATIVE

Plant our school forest in Brazil

€10 **about R$ 65** 1 plot = 5 trees

1. Scan the QR code with your phone camera
2. Choose how many plots to assign
3. You join the St. Nicholas Alphaville group automatically and see your trees on the school map

Scan and take part

LAHC relaunch: 28 November, Alphaville campus

my.climate-cooperative.com/schools/alphaville

Modeled impact: about 175 kg CO2 per year per plot. Not a carbon offset and not an investment.
Payment is in euro. Amount in reais is approximate (November 2026 rate).
